

CLIFTON TO TANGOIO COASTAL HAZARDS STRATEGY 2120

NORTHERN CELL ASSESSMENT PANEL - WORKSHOP 3

Date	Thursday 2 March 2017
Time	11.00 am – 3:30 pm
Venue	Site Visit - bus leaves from National Aquarium of New Zealand, 546 Marine Parade, Napier at 11.00 am sharp

Technical Advisors	- Technical Advisory Group members - Edge research team members
---------------------------	--

Workshop Objectives

At the conclusion of this workshop, Panel Members will:

- Have visited priority sites along to coast to better understand what coastal erosion and inundation may mean in the future
- Understand existing coastal protection and inundation mitigation works along the coast
- Gain a better understanding of what community assets are at risk from coastal hazards and how these risks change over time
- Cement their understanding of the key findings of the Tonkin & Taylor coastal hazards and risk assessments
